Mr W. A. Anderson
711 Davis St.
Jacksonville Fla.

Dear Mr Anderson:

Since writing you the other day, I have received a letter from Mr Greer, offering me April 11th and 12th, to play The Red Caps. I thought it best to write you as I would not want you to get the publicity mixed up.

I have also talked to Sid Pollack, and he would like to play us on the 5th or 19th. I told him I had written you asking you to arrange for the games and the opponent.

I do not know what the situation is in Jacksonville, whether the teams all work together or if there is any disagreement. If there is I would appreciate it if you would let me know what is what. I do not want to be causing any confusion. I know everyone wants to make as much money as he can. With the payroll I have this year, I really need all the games I can get. We should have a good team, but we have a very big payroll. We just kept Monty Irvin from going to Mexico. You know what that means.

Please let me hear from you right away. I will send you some mats if you want them. Let me know. Of course the team will be there soon enough for you to get some pictures, but I will send you something if you want it.

Very Truly Yours
